

2022 13th International Conference on Chemical, Biological and Environmental Engineering (ICBEE 2022)

August 5-7, Hangzhou, China

Committees

Conference General Chairs

Prof. Hong Yin, Zhejiang University, China
Prof. Roberto San Jose,
Technical University of Madrid, Spain
Prof. Gerrit Schüürmann,
Technical University Bergakademie Freiberg,
Germany

Program Chairs

Prof. Qi Wu, Zhejiang University, China
Prof. Serdar Celik,
Southern Illinois University Edwardsville, USA
Prof. Maria Liakopoulou-Kyriakides,
Aristotle University of Thessaloniki, Greece
Assoc. Prof. Anja Pfennig,
HTW University of Applied Sciences Berlin,
Germany

Important Date

Submission Deadline	June 15, 2022
Notification Deadline	June 30, 2022
Registration Deadline	July 10, 2022
Conference Dates	August 5-6, 2022

Call For Papers

Topics of interest for submission include but are not limited to
Environmental engineering and sustainable development/Nanotechnology/Chemical engineering fundamentals//Particulate systems/Energy & nuclear sciences/Macromolecular Science and Engineering/Systems biology/Biotechnology Environmental dynamics.....
